

- 8hr timer
- Washable air filters
- Adjustable louvers
- Simple manual controls
- Water level indicator
- Multi purpose cooler / humidifier / fan / air cleaner
- Remote control
- 4 fan speeds
- Dimensions: 389x279x635mm
- Weight: 7.5kg
- 220v-240v/50hz

SL60A

High Cool

- 11m powerful air throw
- Air throw at body level
- Humidity control
- Portable
- Powerful 3 speed motor
- Mosquito net with dust filter
- Ice chamber

- For use in larger applications, open plan offices and studios
- Long lasting honeycomb pad
- Humidity control
- Ice chamber
- 3 speed fan
- Easy accessible cooling pads
- Adjustable louvers
- Dimensions: 567x535x655 mm
- Weight: 19kg
- Cooling area: 30m²
- Air flow: 1800m³/hr
- Water tank capacity: 40Ltrs

Sumo Junior

Sumo Delux

- Powerful 3 speed motor
- Ellow technology
- 6 blade plastic fan permanently balanced with slinger ring
- Unique "water shield"
- Ice chamber
- Night lamp
- For use in larger applications
- Long lasting honeycomb pad
- Humidity control
- Ice chamber
- 3 speed fan
- Automatic, adjustable louvers
- Dimensions: 625x543x966mm

- 2 fan speeds
- Long lasting cooling pads
- Heavy duty castors (two lockable)
- 90.85 Ltr reservoir
- Continuous fill with auto shut off
- Auto drain pump down
- 21.6m²-at 10m distance (this is air velocity)
- Weight: 88.5 kgs
- Dimensions: 863x1320x838mm
- 1 hp motor
- 230v-50hz

Waycool

3000CM

- For offices, hospitals, computer and hospitality suites etc
- Robust construction
- 3 speed fan
- Water level indicator
- Weight: 18kg
- Air flow: 1550 m³/hr
- Water tank capacity: 22Ltrs

- 18" high velocity air circulator
- 260 degree tilt action
- Precision balance aluminium blades
- High velocity 3 speed motor
- Weight: 7.65kg
- Dimensions: 57x55x24cm
- 230v-50hz

HPF 4500

MB50

- Fully adjustable stand
- Stepless speed controls from stationary to maximum
- 230V and 110V models available
- Dimensions: 830x280x900mm
- Air output: 6900 cfm
